DESK LAMP LED ORCHID

Led Orchid is an exclusive and modern desk lamp for maximum range and flexibility. It is designed with an articulated lamp head for optimal lighting ergonomics. The lamp is made of aluminum and are anodized in three different colours. Orchid is a modern LED module design with touch buttons for brightness adjustment in three different positions. LEDs have an extremely long life span. The diodes in the Orchid have a life of 50,000 hours. That means 25 years or more with normal office use.
