

**SUPERIOR
ELEGANCE**

Understatement for management and conference areas

AGENDA.II cuts a convincing figure right from the start with linear contours and balanced proportions. The chair mechanism with individual weight setting provides sitting comfort you can really appreciate. The elegant chrome bridge linking the armrest to the seat support, and the understated dominance of the mechanism, underline the classic character. The high standard of craftsmanship and choice of premium materials such as leather and chrome communicate timeless elegance and durability.
